

For Your Business

Make More Money

SmartCredit® is a platform for you to launch your profits from. By providing greater value to your customers, in addition to robust business assets, your business will grow.

Get the Data You Need

Understand your consumers like never before with real-time opt-in data. Receive push emails and import raw data through our API & Platform Web Services. Pull large volumes of consumer data and custom reports safely and securely from our reporting system.

Increase Your Revenue

Provide higher value to your consumers with a larger feature set. Prolonging the Life Time Value of your product will increase your revenue over time and create a steady flow of profit from a stable and growing consumer base.

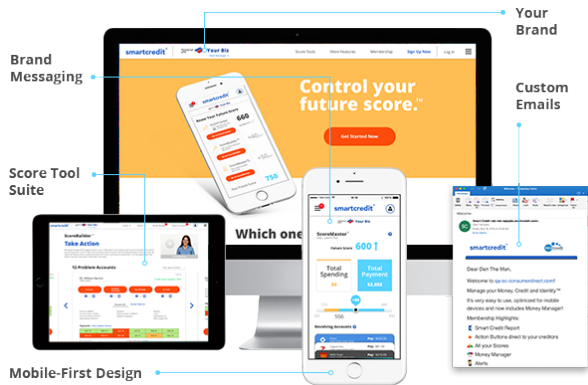

Provided to Your Business

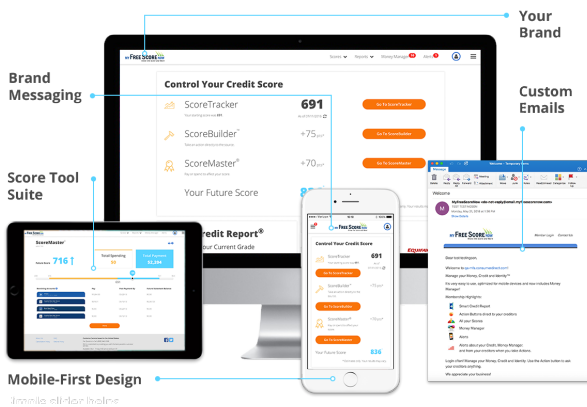

- Flexible revenue sharing B2B partnerships*

*See the back of this page for B2B partnerships information.

B2B Partnerships

A co-branded site is great for partners looking to grow.

White Label programs take your brand to the next level.

B2B Affiliate

Same day setup with no upfront costs. Direct customers to your unique custom affiliate link. Immediately start earning monthly, residual revenue for each member that remains actively enrolled in SmartCredit®.

Co-Brand

Set-up in 2 business days. Launch a personalized, affordable, co-branded version of SmartCredit® with your company's trusted logo, special messaging, and contact information. Choose from a variety of programs with the option to create flexible customer pricing plans.

White Label

Set-up within 2-3 months. We can build your own fully branded credit report & personal finance management website leveraging the SmartCredit® platform. Link your own merchant processor. Create unlimited co-branded versions of your white label and enable all of your affiliates and partners to utilize them.
